Building Business INTRODUCTION

Committed to Excellence, Innovation, and Global Growth

Gulzar Group of Companies is a dynamic and diversified global enterprise headquartered in Germany and Dubai. **We specialize in metals & minerals, rare gems, petroleum products, real estate & construction, IT solutions, and international trade & logistics.** Our commitment to quality, integrity, and customer satisfaction drives every transaction, ensuring we deliver high-value solutions across multiple industries. With a **strong presence in international trade, logistics, and freight, we focus on efficiently distributing essential commodities** worldwide, particularly in the Middle East.

Didar GmbH, a subsidiary of Gulzar Group of Companies, is a **DMCC-registered entity in Dubai, UAE**, specializing in precious metals production, trading, and investment. **Our flagship product, ultra-fine copper powder with 99.9999% purity, is valued at *€1,900 per gram, with 1,000+ kg available for investment and scalable production capabilities. Additionally, we hold nickel wire, valued at *€95 per meter, offering a high-growth investment opportunity.**

2025

Gulzar Group of Companies

VISION 2030

An Exclusive Investment in the Future of High-Purity Metals!

Under the leadership of Gulzar Group of Companies, our vision for 2030 focuses on innovation, sustainability, and global expansion in the precious metals, blockchain, and digital banking sectors. Over the next five years (2025-2030), our strategic goals include:

Expanding production

capacity to meet increasing global demand.

Establishing blockchain-based digital banking solutions

for secure and transparent trading.

Enhancing Afghanistan's financial ecosystem

by providing secure digital investment platforms.

Strengthening partnerships

with global investors to scale operations.

Achieving industry leadership

in ultra-fine metal production and trade.

INVESTMENT OPPORTUNITY

ULTRA-FINE

COPPER POWDER

(99.9999% Purity)

MARKET VALUE: €1,900 PER GRAM

AVAILABLE QUANTITY: 1,000 KG

TOTAL VALUE: €1.9 BILLION

(One Billion Nine Hundred Million Euros)

Nickel wire, %: 99.86+ | Diameter, mm: 0.025
Weight of one meter NP2, mg: ~ 4.40
Coils with nickel wire are placed in plastic containers.

VALUATION

NICKEL WIRE

TOTAL WEIGHT: 10,000 GRAMS (10 KG)

GRAMS PER METER: 0.0044 GRAMS

TOTAL METERS IN 10 KG

$$10,000 / 0.0044 = 2,272,727.27 \text{ METERS}$$

MARKET PRICE PER METER: €95.03

TOTAL VALUE: $2,272,727.27 \times 95.03 = 216,022,727.27$ USD

TOTAL VALUE IN EURO : € 198,740,909.09 EUR

One hundred ninety-eight million, seven hundred forty thousand, nine hundred nine euros and nine cents.

TOTAL VALUATION

ULTRA-FINE COPPER POWDER €1.9 BILLION

NICKEL WIRE, %: 99.86+ €198.74 MILLION

€2.1 BILLION

TWO BILLION ONE HUNDRED MILLION EUROS

WHY INVEST IN DIDAR GMBH ?

HIGH-VALUE ASSET BASE

- **Ultra-fine copper powder (99.9999% purity)** is one of **the rarest and most valuable** industrial metals, essential for high-tech industries, semiconductors, aerospace, and advanced manufacturing.
- **Nickel wire** is a critical component in batteries, electronics, and renewable energy sectors.

GLOBAL MARKET DEMAND & GROWTH

- **Copper demand** is rising due to **the electric vehicle (EV) revolution, renewable energy, and semiconductor industries.**
- **Ultra-fine copper powder** has **exponential market growth potential**, driven by technological advancements.
- **Nickel** is essential for **lithium-ion batteries and sustainable energy solutions**, ensuring **long-term profitability.**

STRONG INVESTMENT SECURITY & SCALABILITY

- **Asset-backed investment:** Investors receive **direct ownership** in **high-value metals**.
- **Scalable production:** Ability to **increase output** based on investor demand.

EXCLUSIVE ACCESS TO PREMIUM METALS

- As a **DMCC-approved** entity, Didar GmbH offers **premium investment opportunities** in industrial metals.
- **In-house production** ensures **supply stability and cost efficiency**.

STRATEGIC LOCATION: DUBAI – A GLOBAL TRADE HUB

- **Tax advantages and investor-friendly policies** in Dubai enhance **profitability**.
- **Dubai's strategic trade position** enables seamless **global distribution**.

HIGH RETURN ON INVESTMENT (ROI)

- Investors benefit from **direct metal sales, price appreciation, and strategic partnerships**.
- **Projected high appreciation** in ultra-fine metals ensures long-term gains.

TRANSPARENCY & BLOCKCHAIN INTEGRATION

- **Blockchain integration** ensures **supply chain transparency, security, and verifiable ownership**.
- **Digital asset-backed tokens** allow **easy transfer and trading of metal assets**.

INVESTMENT PARTNERSHIP MODEL

50% INVESTMENT 100% VALUATION!

Smart Investments for Visionary Partners

Direct Metal Ownership – Investors purchase and own a percentage of the metals, benefiting from price appreciation.

- 25% IN CASH PAYMENT
- 25% IN REAL ESTATE HOLDINGS IN UAE

Special Opportunities FOR AFGHAN INVESTORS

01. Secure **Digital Banking Solutions** to facilitate investment and financial inclusion.
02. **Blockchain-based transactions** ensure security and accessibility.
03. **Banking Verification for Afghan Nationals** All Afghan nationality holders will undergo verification through banking channels and will be authorized to use banking services and benefits globally.

FUTURE VISION

DIDAR GMBH & GULZAR GROUP'S 5-YEAR PLAN

2025 – 2030 KEY MILESTONES & GROWTH TARGETS

2025

Launch of blockchain-based metal-backed tokens for investment transparency.

2026

Expansion into renewable energy sectors using ultra-fine copper powder.

2027

Establishment of a dedicated digital bank for secure trading of precious metals.

2028

Collaboration with global industrial manufacturers for direct supply agreements.

2029

Launch of global investment opportunities for individuals and corporations.

2030

Becoming a world leader in ultra-fine copper and nickel metal production
